

Reservation for Rotarians@Work

Thursday, September 14, 2023

First-come, first-reserved: please indicate your 1st and 2nd Choice!

Thursday, Noon to 1:30 p.m. - Box Lunches

Lightborne Communications

Featured Speaker: Angie Fischer

Lightborne specializes in creating jaw-dropping visual content, no matter the screen size or media utilized. From projection mapping events like BLINK to broadcast video production to live event and concert tours, our expertise in 3D motion graphics design sets us apart from others in the industry. We work with a wide variety of clients such as P&G, Munich Re, and GE Aerospace, and musical artists like Billy Joel, Katy Perry and Missy Elliott. Participants will take a tour of the technology available, studio and even play around with some virtual reality headsets!

Number of Rotarians: Up to 20

212 E. 14th Street

Cincinnati, OH 45202

Phone: 513.721.2272

Notes: The office is a very creative environment, and anything goes as far as wardrobe is concerned! The studio, where lunch will be served, is located on the ground floor, and there is a ramp to get up to the other section of this floor and an elevator to get to all other floors.

Osborne Coinage Co.

Featured Speaker: Patrick Hipple, Account Executive

Osborne Coinage is America's oldest private mint, in business since 1835! Their products are made in Cincinnati, Ohio, which has been the base of their operation for over 100 years. In 2023, Osborne Coinage Company reached another milestone by becoming part of the Royal United Mint, joining notable companies The Royal Dutch Mint and Mauquoy Token Company. Participants will take a tour of the mint and see how coins are made!

Number of Rotarians: Up to 30

2851 Massachusetts Ave

Cincinnati, OH 45225

Phone: 513.681.5424 xt.429

Notes: A fair amount of walking will take place during the tour. Dress is business casual, but participants must wear closed toe shoes. Participants must sign a non-disclosure agreement form before the tour.

Terracon Consultants, Inc.

Featured Speaker: Josh Vogel, Group Manager

Terracon Consultants, Inc, is a geotechnical engineering firm offering services in geotechnical, environmental, facilities and construction material testing. Participants will get an overview of the company, highlighting 100 years of service to the Cincinnati region and key projects. There will be a quick discussion of Terracon's IIF safety culture.

Number of Rotarians: Up to 70

611 Lunken Park Dr

Cincinnati, OH 45226

Phone: 859.512.7475

Notes: Parking is in a lot in front of the building. Dress is business casual.

Cincinnati College of Mortuary Science

Featured Speaker: Cincinnati College of Mortuary Science President Jack E. Lechner, Jr.

The Cincinnati College of Mortuary Science is an institution which endeavors to develop professionals who can function with distinction within their chosen profession and within the community of life. They strive to provide the best education possible. President Lechner will give an overview and history of the school and then conduct a tour of the facilities.

Number of Rotarians: Up to 8

645 W. North Bend Road

Cincinnati, OH 45224

Phone: 937.266.5114

Notes: Free parking is behind the building. This is a small facility with very little walking. Dress is business casual.

Magnet Technology

Featured Speaker: Brian Vielhauer

Magnet Technology is a producer of magnetic extrusions. Established in 1980, Magnet Technology is a leading manufacturer of flexible magnets to customer specifications. In 1997, they built and moved into their new location, centrally located in Southern Ohio with convenient access to major highways. Participants will get to see extrusion and the process of making magnets for industry.

Number of Rotarians: Up to 15

1599 Kingsview Drive

Lebanon, OH 45036

Phone: 513.617.1310

Notes: Parking is available in the company lot. This location is not recommended for those that cannot do a lot of walking through this large facility. Dress is casual with closed toe shoes.

DePaul Cristo Rey High School

Featured Speaker: Siobhan Taylor, President/CEO

DePaul Cristo Rey High School is a school that helps limited means students advance through collegiate and professional goals. Their unique work study program distinguishes them from other Cincinnati high schools. Participants will hear from their president and tour the school.

Number of Rotarians: Up to 60

3440 Central Pkwy

Cincinnati, OH 45225

Phone: 513.861.0600

Notes: Parking is available in the school lot. An elevator is available, if stairs are problematic. Dress is business casual.
